

**961,962**

Application (Stainless Steel) : Chemical Industry, processing industry, plant manufacturing

Medium (Stainless Steel) : Steam, aggressive gases, vapours and liquids

Application : Chemical Industry, processing industry, plant manufacturing

Medium : Steam, neutral gases, vapours and liquids

eClass-No.: 37010905

Variation:
Direct loaded with spring
Wear resistant seat/disc
Precision disc alignment and guide
Possible with soft seal disc
Possible with EPDM bellow
Possible with stainless steel bellow

For detailed information refer to data sheet, please.
